**Subject:** Daikin AC is a Member of U.S. Green Building Council

Daikin AC is pleased to announce that we are a member in good standing of the U.S. Green Building Council (USGBC).

#### **About USGBC**

The U.S. Green Building Council (USGBC) is a non-profit composed of leaders from every sector of the building industry working to promote buildings that are environmentally responsible, profitable and healthy places to live and work. Our more than 10,500 member organizations and our network of 75 regional chapters are united to advance our mission of transforming the building industry to sustainability.

#### **Core Purpose**

The U.S. Green Building Council's core purpose is to transform the way buildings and communities are designed, built and operated, enabling an environmentally and socially responsible, healthy, and prosperous environment that improves the quality of life.
