Subject: BRC2A71R, BRC2A71RU and BRC2A71RS Optional Replacement Faceplates

Daikin AC is pleased to announce the availability of new optional BRC2A71R, BRC2A71RU, and BRC2A71RS replacement faceplates for the BRC2A71 Simplified Remote Controller. The main features of these faceplates are to provide a more intuitive user interface as well as disable the specific controller functions "Fan Speed" and "Mode".

Daikin AC is offering these faceplates in order to better meet the demands of the current market.

These faceplate accessories, submittal data sheets and pricing are currently available through TRL.

Ordering P/N	Picture	Features	Typical Applications
