

**UHWS80D3VJ**
**OUR EQUIPMENT IS BACKED BY OUTSTANDING LIMITED WARRANTY\* PROTECTION**

\*Complete warranty details available from your local dealer/contractor or at [www.daikincomfort.com](http://www.daikincomfort.com)

**Product Features & Benefits**
**Features**

- Stainless steel domestic hot water tank.
- Available in 40, 50, and 80 gallons.
- High-quality insulation.
- Integrated recirculation connection.
- Connection for an optional anode.
- Integrated 3 kW electric booster heater with App functionality.
- NSF61 / 372 certification.

**Benefits**

- Highly durable and corrosion-resistant.
- Minimized heat loss.
- Cloud-ready and compatible with the *SkyportHome* Mobile App.

**DHW Tank Details**

<b>Casing Color</b>	Neutral white	<b>Storage Volume</b>	77.1 gal
<b>Casing Material</b>	Epoxy-coated steel / Epoxy-coated mild steel	<b>Heat Exchanger Quantity</b>	1
<b>Tank Height</b>	68.7 in	<b>Heat Exchanger Material</b>	Stainless steel
<b>Tank Diameter</b>	23.42 in	<b>Heat Exchanger Face Area</b>	19.4 ft <sup>2</sup>
<b>Weight (Empty)</b>	138.9 lb	<b>Internal Coil Volume</b>	2.2 gal
<b>Water Volume</b>	77.1 gal	<b>Operating Pressure</b>	145 psi
<b>Tank Material</b>	Stainless steel	<b>Booster Heater Capacity</b>	3 kW
<b>Maximum Water Temperature</b>	167°F	<b>Power Supply</b>	1 Ph / 60 Hz / 208/230 V
<b>Maximum Water Pressure</b>	145 psi	<b>Min Circuit Amps (MCA)</b>	16.25 A
<b>Insulation Heat Loss</b>	5,459 Btu/24h	<b>Max Overcurrent Protection (MOP)</b>	20 A
<b>Standing Heat Loss</b>	280 Btu/h
